

So, here's the deal – I have almost 200 students spread out between seven classes this semester, and I need your help! Please use the following format when submitting assignments. Be sure to include your name, the name of the class in which you are enrolled, the corresponding section number (you'll find that on your syllabus should you forget), the days and times the class meets, the date you submit the assignment (in other words, the date it is due), and a title for the assignment. It should look something like this...

Name (Jane Doe)

Subject (Environmental Science 1)

Section Number (0294)

Meeting Days & Times (T, Th 8-9:30am)

Today's Date (Submitted 03/01/06)

Assignment/Subject ([Bottled Water Wars](#))

Also, where appropriate (necessary or required!) cite sources...

Thank you for your help!
